**TERMINAL DISCLAIMER**

Air Products Polymers, L.P., a limited partnership organized under the laws of Delaware, resident in the county of Lehigh and Commonwealth of Pennsylvania, represents that it is the assignee of the entire ownership of application Serial No. 10/620,654, filed July 16, 2003, entitled "**Polymer Emulsion Coatings for Cellulosic Substrates with Improved Barrier Properties**," the assignment having been recorded at Reel 013859 Frame 0267. Air Products Polymers, L.P., disclaims the terminal part of the statutory term of any patent granted on the above-identified application which would extend beyond the expiration date of either the earlier of the full statutory term defined in 35 U.S.C. Sections 154 to 156 or of the term as presently shortened by any terminal disclaimer of United States Patent Application Serial No. 10/378,996.

Air Products Polymers, L.P., agrees that any patent granted on the above-identified application shall be enforceable only for and during such period that such patent is commonly owned with United States Patent Application Serial No. 10/378,996, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors and assigns.
